

Communication to Students and Parents

CSA II (Computer Skills and Applications II)

Veleta M. Thomson
CTE Teacher - Business
Salem Middle School
919-363-1870 (School Phone Number)
vthomson@wcpss.net

Welcome to Computer Skills and Applications II. We'll learn digital literacy, word processing advanced, spreadsheets basics, and presentation basics. These are great skills for the future! Our class website is at <http://bb9.wcpss.net>.

I'm sending home pages which contain **Class Expectations** for your information and review. Your comments are welcome. Please keep these.

Please return this communication page to me (send with your student the next class period).

Please **print** your contact information below so that I may communicate with you.

I appreciate your support in your student's academic and social development.

I look forward to our semester together.

Ms. Veleta Thomson
